Attachments

1. Statement of why you wish to participate in the program
2. If interested in a scholarship, include a statement explaining why you feel you are deserving of financial support for participation in this program.
3. Explanation of your choice of European Institution
4. Transcript of academic work
5. Two letters of recommendation from faculty members

I understand the semester program cost of \$500 payable to KSU Study Abroad includes the required insurance coverage. I understand the minimum time requirement for this project is three months. Cost of transportation, room and board, and personal expenses are my responsibility. Room and board is estimated to be \$400-600 per month.

Student ID # _____ Signature _____
